The Committee discusses issues pertaining to electronic tax administration, including the prevention of identity theft and refund fraud. It supports the overriding goal that paperless filing should be the preferred and most convenient method of filing tax and

information returns. ETAAC members convey the public's perceptions of IRS electronic tax administration activities, offer constructive observations about current or proposed policies, programs and procedures, and suggest improvements.

Time permitting, prior to the close of the meeting, interested persons may make oral statements germane to the Committee's work. Anyone wishing to make an oral statement should contact Mr. Sean Parman at [PublicLiaison@irs.gov](mailto:PublicLiaison@irs.gov) and include the written text or an outline of the proposed comments.
